

Are you afraid you won't be able to learn how to navigate the operation of a direct-to-garment (DTG) printer?

I get it. The ever-evolving world of printing technology can feel overwhelming, with endless options and technical jargon.

But what if there was a way to **master a new DTG printer without having to spend a fortune** on outside help from people who have never used your printer before?

Well, the good news is there is...

It's **Ricoma's world-class training and support**, led by product specialists who know your machine inside and out.

And the BEST part is that it comes with your [Vision DTG printer bundle](#) for FREE.

No having to fork out hard-earned money to secure the tips and tricks you NEED to be successful...

...or guessing and wasting time on trial and error.

Our **comprehensive training and expert support will ensure you're equipped with the knowledge and skills to excel** from the jump.

So cut out the frustration of navigating technical challenges alone and grab a printer that comes with a reliable partner in your custom apparel journey.

Get started today and **save up to \$1,000 with FREE shipping** when you secure a **complete Vision DTG printer bundle during our Presidents' Day promotion**.
